

Last November Update “ YOU Decide

Description

And thus ends the Movember and NaNoWriMo great experiment!

How did I do?

Well, let’s see:

For NaNoWriMo, I managed to get through a pesky piece of writing that had been bothering me for quite a long time. I could not come up with a good way to get my characters out of a particular situation, but thanks to this (and some help from writing friends), I managed to overcome that hurdle and write what I think is some pretty good stuff.

Is “The Black” done?

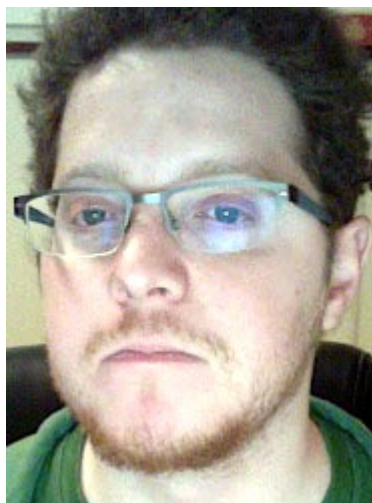

No, not even remotely. But, I wanted to make a dent and a dent has been made. I will endeavor to write more of it soon and will, of course, keep you all apprised.

As for Movember, I am facing a bit of a crisis. I do not know if I should shave off what I have cultivated over this past month. So, I thought, who better than my loyal readers and friends to decide for me?

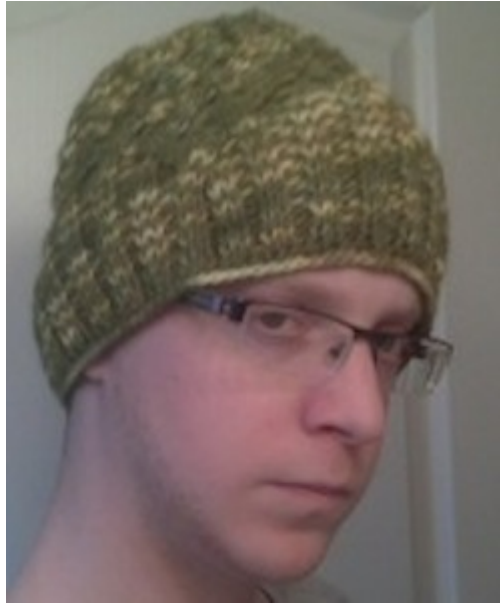

So, I pose it to you “ below are pictures of me in my “clean-shaven” and “Movember” states, and I want you to let me know what you think. Should I go to one extreme or the other? Perhaps some transitional state? Or, should I just let go and grow a full beard?

The choice, as they say, is up to you.

Let me know your choice through either the comment section below, a tweet or whatever way you wish to contact me, and I promise that I will follow thorough.

Movember “ Doin’ It Ginger Style!
